

# THE NATIONAL CIVIL WAR MUSEUM

## LIVING HISTORY MAP

Driving to the Camp Area is restricted to vehicles moving heavy equipment and camp gear.

Vehicles **MUST** drive only along the perimeter of the backyard (red line).  
The center area is the top of the city's reservoir!

Vehicles must be unloaded and driven in the Re-enactor Parking area as soon as possible.

Firewood is located at the top of the backyard entrance.  
Please take only what you need, when you need it.

Water is located next to the staircase, across from the Camp Area.

Please ensure that all spectators are behind the Safety Line during presentations.
